I _____ am the parent or legal guardian of a minor child (children) under the age of 18 years who will be attending with me at the upcoming Faithwalkers Midwest Conference (the “conference”) beginning December 27, 2014. As part of my registration and as a condition to my participation in the conference, I agree as follows:

1. At all times during the conference my minor child (children) will be my responsibility exclusively, and this means I am responsible for their conduct, whereabouts, needs, and safety at all times. I will be personally liable for any damages incurred at the property by my child during the course of the conference.
2. To use diligence as a parent to keep my child (children) safe during the conference. I will not rely on the Christian atmosphere of the Conference, the seemingly safe environment of the facility (facilities), security measures taken by Great Commission Churches (“GCC”), its leaders or sponsors. In addition, I pledge to exercise care and vigilance as follows:
 - 2.1. I will not leave my child (children) alone or unattended, whether in a conference meeting room, hotel room, or other place during the Conference. If separated from my child (children) during the Conference, I will monitor the location and well being of the child until reunited. I will not allow them to ride escalators or elevators alone, without a responsible adult.
 - 2.2. I will instruct my child (children) on personal safety, including ways to recognize, avoid, and respond to unacceptable or dangerous situations, including the importance of reporting situations and seeking help.
 - 2.3. Although the Conference may be attended primarily by Christians, I will treat the Conference as a non-Christian venue, exercising the same care and diligence as to my child’s (children’s) safety from strangers as he/she would at any public place such as a shopping mall or theme park.
 - 2.4. If my child (children) becomes ill during the Conference and has symptoms that include fever, vomiting or diarrhea, I will take whatever precautionary measures are necessary to

avoid exposing other participants to the illness, including not entering the child/family room with an ill child.

- 2.5. I will instruct my child (children) on proper conduct during the Conference and will warn and take steps to intervene and prevent the child (children) from engaging or continuing in any improper conduct.
3. I acknowledge that participation in the Conference by me or my child (children) does not shift responsibility in any way to GCC, its leadership or sponsors. I will completely indemnify, defend and save harmless GCC and its leaders and affiliates, with respect to all matters that may arise concerning or because of my minor child (children), or any act or forbearance on my part.
4. I certify that I have custody and legal authority to bring my minor child (children) to the Conference, and I have full authority to direct all matters necessary to protect the health, welfare and well being of my child (children), including authority to initiate and approve medical and other healthcare related procedures.
